Weddings at Maxwell Wines

IN THE HEART OF McLAREN VALE, SOUTH AUSTRALIA

Thank you for considering the Maxwell Winery & Vineyards as the setting for a very special wedding. Our versatile Function Room, Terrace, Landing and Cellar Door areas provide the perfect atmosphere for a relaxed and intimate occasion. Constructed from limestone and old solid timber, the natural warmth of the Winery is complemented beautifully by large picture windows. The views of McLaren Vale afforded by our elevated position are simply stunning, with guests surrounded by a vista of vines on gently rolling hills. Inside, an impressive limestone open fireplace creates a striking focal point, separating the Function Room from the Cellar Door bar.

There are various ways to celebrate a wedding day here at the Winery. Most couples choose to hold their ceremony and reception on the premises, providing family and friends with a relaxed continuity of the occasion. This is easy to arrange; a ceremony looks superb when conducted outside on the Landing, where the Wedding Party form the centrepiece of a stunning panorama. Some couples wish simply to hold their reception at Maxwell's, as a lovely finish to their memorable day. Naturally with any option, the number of guests and weather will be determining factors. Whatever choices are made, a special personalised Wedding Package will be hand-made - just like our wines.

Receptions

Each of the reception formats automatically includes the food & venue essentials: private use of facilities, furniture, linen, glassware, crockery, cutlery, candelabras, cd player, menu, and staff.

Stand Up / Cocktail Style:

This format can accommodate up to 200 guests. In warmer weather this type of reception is ideal, as the outdoor Terrace and Landing areas can be used to the full potential. A range of hot and cold finger foods is provided as well as more substantial dishes.

Sit Down Table Service:

Maxwell's Function Room and adjacent Deck can seat up to 130 guests comfortably. The adjoining Cellar Door area, separated by the limestone open fireplace, provides space for guests to mingle and dance... This full service package features the best regional ingredients across a range of choices in entrée and main course. A perfect accompaniment to our acclaimed wines and meads.

Each reception format can include the cutting and serving of the Wedding Cake for dessert.

Please note that every step of your function can be discussed at any stage. Menu changes and dietary requirements can all be negotiated with ease. A feature of your wedding at the Maxwell Winery is the attention to your personal requirements. Each occasion is unique, so naturally your package and pricing will be personalised to suit your needs.

The Wedding Drink

A highlight of weddings held at Maxwell Wines is the famous Maxwell Honey Mead (The Wedding Drink). A delicious wine made by fermenting pure honey, it was believed to be a strong aphrodisiac in Viking culture. In particular, newlyweds would drink mead for a month after their wedding, in the hope that they would conceive a child. Known to the Vikings as the "honey-month", this has given rise to the tradition of a "honeymoon" that continues today.
