Eden Valley Riesling 2021

The Wine

There are several suitable vineyard sites for Riesling in the Eden Valley. This vineyard is in the south western corner of the region and is known as High Eden. This site has a northerly aspect and an elevation of 500 metres above sea level which enjoys cool summers, which encourages slow ripening while retaining natural acidity.

Vintage Conditions

The 2021 vintage was late ripening and of very high quality. We believe that the quality levels were some of the best in twenty years. A mild winter and sunny conditions saw good budburst and flowering around October.

Colour & Aroma

Pale straw with green tints. Honeysuckle and lime with hints of flinty minerals.

Palate

Elegant and taught with notes of citrus lemon and honeysuckle lingering long on the palate, finishing crisp, fresh and dry.

Pairing

Kingfish with Crème Fraiche
