Tasmanian Sparkling Rosé

Small batch exclusive

This small batch wine was produced exclusively for our Maxwell Clan wine club members. The clans of our Scottish forebears were not always kin by blood. Identifying with the tribes spirit they adopted the clan's name, allowing them to claim the benefits of belonging.

Vintage Conditions

Geographically intertwined with the Tamar Valley, the Pipers River region is renowned for its cool maritime climate and pristine landscapes, producing some of Australia's most highly regarded sparkling wines. Our vineyard is situated at the foothills of Mount Arthur, the cool climate, influenced by the proximity to Bass Strait, along with high sunshine hours imparts a distinct elegance to the wines and is an idyllic site for Pinot Noir, Pinot Meunier, and Chardonnay.

Colour & Aroma

Very light salmon-pink hue, with lifted red fruit aromatics.

Palate

Exquisitely fine bead, soft and round, finely-textured palate.

Pairing

Beluga Caviar
